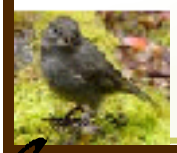
Tree of Life

The Entrance Building will feature a stunning tree designed by a local artist incorporating some of the birdlife within the Sanctuary. The Tree of Life will be a talking point within the Entrance Building and the wider community, and it is a great way to acknowledge all the donors contributing from $100.00 upwards.

The tree is a powerful symbol of growth, as the tree is the only living thing that continues to grow throughout its lifetime. The Tree of Life symbolises life, growth, survival, protection, strength and the generations.

For a donation of $100, $500 or $1,000 you can sponsor a bird on the Tree of Life within the Sanctuary's Entrance Building and link your family or group's name to the project for posterity.

- **Robin - $100**
- **Yellow-crowned parakeet - $500**
- **Kaka - $1,000**



All donations and grants will be put towards the construction of the pest-proof fence and establishment of the Brook Waimarama Sanctuary. Anonymous donations are also welcome. All donations are tax deductible within normal allowable limits.
